Meeting called to order at 7 PM by Secretary Ray Davis.

Item #1 - Approval of minutes approved by Ray Davis and seconded by Raymond Suiter.

Item #2 - Nothing exceptional for Maint. Foreman Report. Everything running smooth

Item #3 - Lengthy discussion about communication regarding September 12, shut down of irrigation due to excessive rain. WMID is aware of matters concerning water usage especially with the recent drought situation and try to regulate our water resources appropriately. The Board agreed that better communication needs to happen before the decision to terminate a cycle due to weather conditions. The Board agreed to take a more active role in assisting the determination to cancel or continue the cycle.

Item #4 - Everything approved for construction to start in January 2023. Waiting for call from Nate to pick a date. Board likes the week of Jan 23 since we may be down for 3 weeks.

Item #5 - Call to public.....no reply....Ray Davis motion to adjourn - second by Scott Reemelin.

Meeting adjourned at 7:45 PM
