

## PRIVATE IRRIGATION SERVICES

On August 6<sup>th</sup>, 2024, I once again took over the Zanjero responsibility for WMID. A position I held for nearly 20 years. Prior to that date, Jeff Lucas held that position and performed private irrigation for a few customers. Those who were away on vacation or unable to physically do their irrigation hired him to do their irrigation. I no longer live in the Western Meadows neighborhood and now reside in Sun City, 20 miles away. I have been unable to find a replacement for the services Jeff provided so I have decided to offer this service again to our customers. This is an agreement between you and me to do your irrigation, and it is separate from your responsibility to sign up and pay for your water with WMID.

FEE - per irrigation and payable up front to me prior to your scheduled irrigation.

DO NOT call Sue at WMID office to schedule. CALL ME DIRECT
